

REPORT ON CAREER COUNSELING

Name : Silapathar Science College

Date: 10th September 2026

Students: B.Sc. (FYUGP) 1st, 3rd, 5th and 7th Semester

Venue: Conference Hall, Silapathar Science College

Resource Person: Ashif Rahman, Director of Academy of Civil Services (ACS), Dibrugarh

Organized by : Career Counseling Cells of S.Sc.C.

A Career Counseling Class was organized in our college on 10th September for the students of B.Sc. 1st, 3rd, 5th and 7th Semester. The main purpose of the class was to guide students about choosing the right career and preparation for the all Government exams along with ACS and UPSC Exam.

Objective of the Class:

- a. To help students understand their own interest and ability
- b. To discussed about the different career after graduation
- c. To give information about the Pattern of ACS&UPSC Examination.
- d. How to prepared for all Govt. and ADRE examination.

The program started with a welcome speech by the college IQAC, Dr Pradeep Upadhyay. Then the Resource Person was welcome with a “Phullam Gamucha”. The resource person explained with a power point presentation. He said that career selection should be based on three things- Interest, Ability and Opportunity. He also add about the importance of hardwork, discipline and time management for a successful career. He explained about the details of pattern of ACS and UPSC examination along with the Govt. ADRE Examination.

During interactive session an extempore speech competition was conducted on the topic **“Climatic change and the Role of youth.”** A total of four students win the competition and got the prize money of 1000/ for the 1st prize, 800/ for the 2nd prize and 500/ rupees for 3rd prize.

Name of the winner Students are :

- a. Sri Hiron Doley (Deptt. of Mathematics)
- b. Sri Jayanto Sarkar (Deptt. of Zoology)
- c. Miss Pinky Gogoi (Deptt. of Zoology)
- d. Sri Bhaskar Dutta(Deptt. of Chemistry)

Conclusion: The Career CounsellingClass was very informative and helpful for the students. It clears doubts and confusions of many students. It also bring consciousness about the Climate change and Role of youth. On this topic many students try to put their views and discussedbriefly. Some glimpse of the program is enlisted here.
