PI- SILAPATHAR SCIENCE COLLEGE

DATE: 09 MAY 2026 | TIME: 09:00 AM to 12:00 PM

VENUE: Silapathar Science College Campus

Report on "OP SINDOOR SUCCESS through Project Navbharat for Students"

A programme on "OP SINDOOR SUCCESS through Project Navbharat for Students" was organised by the Indian Army, 556 Army Service Corps Battalion, Likabali Military Station in collaboration with the National Service Scheme (NSS Unit) and Unnat Bharat Abhiyan on 09.05.2026 at the Conference Hall of Silapathar Science College.

The programme was anchored by Mr. Nihar Jyoti Lahon, HoD, Department of English and In-charge of Unnat Bharat Abhiyan. The programme was attended by Dr. Ranjit Saikia, Principal of Silapathar Science College, Resource Person Major Priyanshu Protim Borah, and Captain Manveer Kaur from Likabali Military Station, 56 Division. Faculty members, NSS volunteers, and students of the college actively participated in the programme.

During the session, Major Priyanshu Protim Borah elaborately explained about Operation Sindoor (OP SINDOOR) and highlighted its significance as a strategic counter-terror operation launched after the tragic Pahalgam attack in Jammu & Kashmir. He described the objectives of the operation, the role of the Indian Armed Forces, and the importance of national security and unity. He also explained the Pahalgam attack in detail and discussed the post-Pahalgam situation with the help of photos and videos, which created awareness among the students regarding terrorism and national defence. His lecture inspired the students with a sense of patriotism, responsibility, and respect towards the armed forces.

Resource Person Captain Manveer Kaur delivered an informative and interesting lecture on recruitment opportunities in the Indian Army. She spoke about discipline, motivation, personality development, and counselling for students. She also explained various entry gates and career opportunities in the Indian Army and encouraged students to serve the nation with dedication and commitment. Her interactive session motivated many students to consider the Armed Forces as a career option.

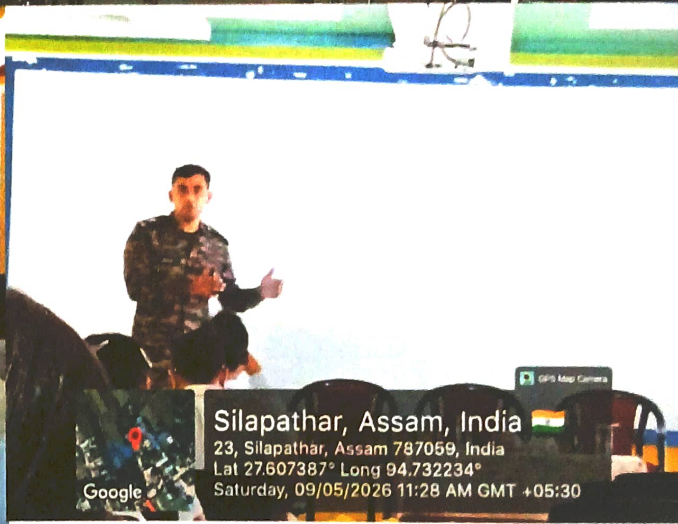

The programme concluded with a vote of thanks delivered by Dr. Chandana Shyam, Assistant Professor, Department of Zoology and Programme Officer of the NSS Unit. She expressed her gratitude to the Indian Army officials, resource persons, faculty members, and students for making the programme successful and meaningful.
