Report on Special Counseling Session on Indian Army Recruitment (Agnipath Scheme)

A Special Counseling Session on Indian Army Recruitment was successfully organised by Silapathar Science College in association with the NSS Unit, Silapathar Science College on 2nd March 2026 at the Conference Hall of the college from 12:15 PM onwards. The session aimed to create awareness among students regarding career opportunities in the Indian Army under the Agnipath Scheme.

The programme was graced by Resource Person Colonel Vijay Rawat (Sena Medal), who delivered an informative and motivating session for the students. He explained in detail about the Agnipath Scheme of the Indian Army, highlighting its objectives, recruitment process, training system, service tenure, and future career prospects after completion of service.

Colonel Rawat elaborated on various sectors of job opportunities available in the Indian Army and guided students about eligibility criteria, physical fitness requirements, educational qualifications, and selection procedures. He informed that candidates within the age limit of 16.5 to 27 years can apply for different recruitment categories under the scheme. The session also focused on discipline, leadership qualities, patriotism, and the importance of serving the nation.

An interactive question-and-answer session was held where students actively participated and clarified their doubts regarding recruitment procedures and career advancement opportunities. The counseling programme inspired many students to consider the Indian Army as a promising and honorable career option.

The session concluded with a vote of thanks, expressing gratitude to the resource person for his valuable guidance and to all participants for making the programme successful. The programme proved to be highly beneficial in motivating youth towards national service and employment opportunities in the defence sector.
