

**Dr.M.MATHIYAZHAGAN, M.Sc, Ph.D.**

### **MESSAGE FROM THE HEAD ACADEMIC (Jr)**

I would like to extend a heartfelt welcome to Silapathar Science College and I congratulate you for choosing SScC to reach the goal. This institute is one of the oldest science college offering pure science courses in Silapathar, Dhemaji Dist of Assam established in the year 1996 .The institute has two wings such as junior section approved by Assam Higher Secondary Education Council and the senior section with the permanent affiliation of Dibrugarh University.

The college is starting its 25<sup>th</sup> years of its glorious existence. The alumniees of the institute are the flag bearers for us. The institute has emerged as one of the best temple for teaching and learning by providing qualified and experienced teaching faculties. Almost all the teachers, staff members and students of the college are interestingly working for our goal i.e. excellence in academic and green campus development by creating botanical garden, rice bank, orchid house and experimental field etc.

The college has already recognized by the UGC (12B) for receiving funds from various funding agencies of Government of India. The college has established girl's hostel with the support of UGC fund and it guaranting student's security by providing CCTV throughout campus.

The college is giving special attention to the junior section under the leadership of excellence of Dr.M.MATHIYAZHAGAN to maintain the quality of education and academic excellence. The junior section providing smart class rooms with CCTV, continuous monitoring system for both students and teachers (monitoring of course progress) by regular test twice in a month, assignment, group interaction, students feedback system, parent meet at every quarter.

The college not only providing the science education but also equipped with good laboratory, library, generator for power management, bus facility for students, sports etc.

This academic year the institute is planning to introduce master courses in Botany and Zoology to increase the scope & possibilities of higher study and research promotion. Very recently the Assam Government announced that the college will be provincialized by this year.

I wish you all success in your future endeavours.

**Dr.M.MATHIYAZHAGAN, M.SC, Ph.D.**
