A field visit to Dimow under the guidance of Dr. Chandana Shyam (trip in-charge), Dr. Pabitra Sarmah (HOD), Ms. Lolita Doley and Parag Sonowal (Lab. Bearer) Department of Zoology was carried out for the B.Sc. 3<sup>rd</sup> semester students of Zoology (Major) on the 18<sup>th</sup> November, 2024. A Vermifarm of Shantipur Village, Dimow were visited. The half-day trip was carried out in partial fulfillment of the requirements of the B.Sc. 3<sup>rd</sup> semester in Zoology. The purpose of the trip was to provide experiential learning and exposures to students which will help them to have a better understanding of what they have learnt in their course.

On the 18<sup>th</sup> November 2024, around 9:30 am we left the college and the group reached the Vermifarm located at Shantipur Village, Dimow at 10:30 am. The visit started with a lecture on "Vermicomposting" delivered by Dr. Pabitra Sarmah (HOD). The lectures were followed by the poster viewing where there was an interaction between the students, the faculty of the department of Zoology and Mr. Budheswar Pamey, the owner of the Vermifarm. After the introduction, Mr. Budheswar Pamey gave a detailed explanation on the "Vermicomposting" how he managed the Vermifarm and sales the vermicompost to the cities like Along, Pasighat etc. He also shares us the rate of vermicompost (i.e. Rs 12/kg) which is a wholesale rate. He not only sales the vermicompost but he also sales the earthworm at the rate of Rs 1800/KG. After that he shows us, what equipment he uses for the harvesting of vermicompost by Earthworms.

By the end of the lecture his wife gave us tea and water to drink, which was very generous of her. We truly thank Mr. Budheswar Pamey and his wife how happy they welcome us! After that we left the Vermifarm and find a place where we had our lunch.

The trip that was undertaken was of great benefit to the student. Students received a lot of information on Vermicomposting and how to manage this business from the lecture and demonstration that were delivered during the visit. Student had the opportunity to see various Vermicomposting harvesting instruments and learn about them through interactions with the owner of the Vermifarm (Mr. Budheswar Pamey). Overall the trip has helped them in increasing the knowledge about significance and importance of Vermicomposting. Undersigned would like to extend our gratitude to the Principal, Dr. Ranjit Saikia, for granting us the permission and support by providing college bus for the fieldtrip. Teacher-in-charge also like to express her profound gratitude to Dr. Pabitra Sarmah (HOD) and Ms. Lolita Doley for their support and cooperation to make the trip successful one. Students and the faculty members also thankful to Mr. Budheswar Pamey, owner, Vermifarm, Shantipur Village, Dimow for sparing their time and sharing their valuable knowledge and information with us.
