

**ACTION TAKEN REPORT ON STUDENTS FEEDBACK**  
Department of Anthropology  
**SILAPATHAR SCIENCE COLLEGE.**

In view of identifying the flawed in academic performance and ambiance, the college has taken feedback from the students. Suggestions like more smart and experiential learning and improvement in different areas were consolidated and communicated to the concerned authority.

The following is a detailed report of the issues as received from the students and the action taken for those issues by the department.

Sl. No.	Feedback	Action Taken
1	Requirement of more Teaching Faculty	The issue of insufficient teaching faculty in the department has been addressed to the administration and the assurance of recruitment of one number of teaching faculties has been received for the same.
2	Insufficient Books and Reference materials in the central library.	The library which is now equipped with N-List has over 200000 online books and 6000 journals easily accessible for students. Moreover, a list of reference books has been prepared and submitted to the librarian through the departmental head.
3	Insufficient laboratory equipment	Insufficient laboratory equipment in the department is a long demand of the students of anthropology. All effort has been made to fulfill the need and undertakes practical classes with the minimal available equipment. For the redressal of the issue a list of laboratory equipment has been submitted to the administration for early supply of the same.
4	Teachers Punctuality	It was reflected in the students' feedback about teachers' late entry in classrooms. It was assured in the departmental meeting with students dated 07/10/2021 that all teachers would attend classes in time and maintains punctuality.
5	Insufficient sports ground & sports equipment	The issue of sports ground was recorded in quite a number of students' feedback. Defining the limitations of the department in this matter it was intimated to the students that the issue would be addressed to the administration for early solution.
