

ACTION TAKEN REPORT ON STUDENTS FEEDBACK

Department of Mathematics,
Silapathar Science College.

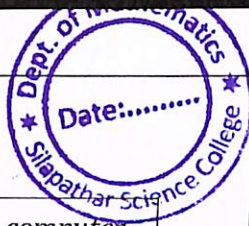

To rectify and sort out the blemish in academic activities and ambiance, IQAC decided to take an initiative of taking feedback from the students, where their constructive suggestions in different aspects were consolidated and scrutinized, as well as interfaced to the concerned authority.

A detailed report of the various issues, as received from the students and the action taken by the Department against those issues are given in the subsequent table-

Sl. No.	Feedback	Action Taken
1	<i>Need of digital classroom</i>	<i>The department fully acknowledges the dire need of a digital classroom, which is indeed, the need of the hour to keep pace with the competitive world and for efficient and effective classroom session. Hence, the matter was intimated to the college administration to look forth into it at the earliest possible.</i>
2	<i>Teaching Skill Improvement</i>	<i>The following actions were taken to improve teaching skills, on the basis of feedbacks received from the students:</i> <ol style="list-style-type: none"> <i>1) Emphasize conceptual understanding over procedure.</i> <i>2) Provide authentic problems that increase students' drive to engage with mathematics.</i> <i>3) Share positive attitudes about mathematics.</i> <i>4) Improve efficiency and deliver competence, in order to make every classroom session engaging and productive.</i>
3	<i>Library Facilities Improvement</i>	<i>The college is well-equipped with N-List knowledge portal, which gives access to more than 2 lacs books and 6000 journals. The whole library collection is computer enumerated and searchable through OPAC (Online Public Access Catalogue). Students can also utilize the Internet facility in the library. A few scientific journals related to all departments are already subscribed by the college library. Although most of the course related books and journals are available in library, lists for several reference books are prepared and sent to the Library Committee through departmental head, time to time.</i>
