

## ACTION TAKEN REPORT ON STUSENTS FEEDBACK

DEPARTMENT OF ZOOLOGY

SILAPATHAR SCIENCE COLLEGE.

After evaluating the feed - back form given to the students for identifying flawed and ambiance in academic performance the following actions have been taken for the betterment of teaching and learning processes of the Department.

SL Nos	Feed-back	Action taken
1.	Drinking water.	For drinking water a private water supplier was contact and provided pure water for drink in the institution. At the same time a large water filter tank is being constructed centrally by the higher authority for all the students of SScC.
2.	Need more desk and bench.	The requirements of desk and bench in the Zoology Department has been intimated to the higher authority .
3.	Tools for ICT classes.	This matter was also intimated to the higher authority and put up an application to provide a projector and classroom for regular digital classes in the department.
4.	Need more class test and seminar.	The matter was discussed with the faculty members of the department and decides to conduct extra class test and seminar in random basis in the Department.
5.	Provide some information about future goal.	For the information on future goal a regular program on Carrier Guidance has been conducted regularly by the MPDC Cell of the college. It was also decided in the Departmental meeting

		that such type of topic should be selected for the group discussion also.
6.	Need more teachers and improve laboratory.	The requirement of more for the completion of syllabus in time duration and improve laboratory for betterment of practical classes have been informed to the higher authority for necessary step.
7.	More books and study materials.	About 50 different books included in the CBCS syllabus were order in online and N- list facility is already developed in the library along with the subscription of scientific journals.
8.	Teachers punctuality	All the faculty members of the department were asked to be punctual in their duties. The higher authority had already taken some essential steps for punctualities of teaching and non teaching staff of the institution.
