REPORT OF THE HANDS ON TRAINING

TITLE OF THE WORKSHOP/TRAINING: HANDS ON TRAINING FOR ORCHIDS (HYBRID) & ITS MANAGEMENT

Organized by: PG Department of Botany and supported by Orchid Society of Assam

Date: 25/6/2022

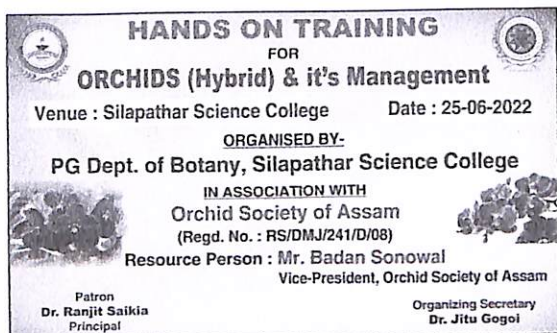

Now a day, culture of Hybrid orchids is gaining day by day due to its eye catching flowers and permanence of floral duration. Some countries of the world are earning foreign revenues from culturing of hybrid orchids. Indian orchid's nurseries are still importing different type of orchids from neighboring countries where huge revenue is going outside the country. For this mass production of orchids, well trained resource is required to success the establishment of commercial hybrid orchid nurseries.

Owing to the importance of commercial hybrid orchids, a training programme was conducted at PG department of Botany to expertise our PG students in this field. Mr. Badan Sonowal , Vice – President of Orchid Society of Assam was invited as resource person for this programme. In this programme , Dr . Ranjit Saikia, Principal Silapathar Science College,

Thom
