To  
The Director  
Rain Forest Research Institute  
Jorhat, Assam.

Dear Sir,  
I happy to inform you that our college (Silapathar Science College) is going to organize a national webinar on DBT Star College Programme, Govt of India; its importance and process of implementation. In this regard we are interesting your institutional collaboration for the event, so that i am requesting your official permission for the same. i further request your valuable time for few words about the programme if you have time.

Thanking you in advance for your support.

Dr. M. Mathiyazhagan  
Coordinator,  
Silapathar Science College

## SUMMARY OF PROFESSIONAL EXPERIENCE of Prof. Dhiraj Bora

Prof. Dhiraj Bora has taken over as the Vice Chancellor of Assam Science and Technology University at Jalukbari, Guwahati Assam from November 2016. Prior to this appointment, Dr. Bora headed the Institute for Plasma Research (IPR), Gandhinagar, 382 428 and was also the Chief Scientist of ITER - India. Dr. Bora was a Deputy Director General and Director for Directorate for Controls, Heating and Diagnostics at ITER International Organization, Cadarache, France, from September 2006 to December 2012.

Before joining ITER, he had been a Professor and Project Leader at the Institute for Plasma Research, Bhat, Gandhinagar, India on various projects. Prof. Bora is a certified project manager from the School of Business, George Washington University.

After completing his Master degree in Experimental Physics from Moscow, USSR in 1975, he joined the Physical Research Laboratory from where he completed his Ph. D. in 1979. Since then, for more than four decades now, he has been active in research in the field of Plasma Physics and Fusion science and technology, first at Physical research laboratory and then at the Institute for Plasma Research (IPR) at Gandhinagar 382 428, INDIA. He was a guest scientist in the Institut fuer Plasmaphysik in Juelich, Germany and a visiting scientist in Fusion Research Centre at the University of Texas at Austin. He has more than 200 publications in peer reviewed international/national journals and proceedings of international conferences/workshops.

Dr. Bora has been a member of several Indian delegations to IAEA Fusion Research Meetings. He was a member of the delegation of Indian Academy of sciences to celebrate 25 years of Indo-Soviet Technical collaboration in Moscow. He had been a member of the C16 Commission on Plasma Physics of the International Union of Pure and Applied Physics (IUPAP). He was a member of the International Advisory Committee of the IAEA – Technical Meeting and a member of the SSOG group. He was also in the faculty of the Homi Bhabha National Institute (HBNI) at Mumbai. He had been a member of the Indian delegation to the ITER Governing Council. He is an ITER emeritus fellow since 2014. He was programme committee member of Fusion Energy Conference of IAEA since 2015. He is recipient of the Kamal Kumari National Award for Science and Technology for the year 2012. Prof. Bora has been conferred the Life Time Achievement Award in the 4<sup>th</sup> International Conference on Environment and

Ecology in Gauhati University, Assam by the Confederation of Indian Universities, New Delhi in 2018.

He has served as the Treasurer, Secretary, and President of the Plasma Science Society of India.

Prof. Bora is fluent in many Indian and foreign languages. His name figures in the national directory for technical translators of Russian. He has also translated numerous books and monographs from Russian to English.
